SUMMARY

Test Engineer specializing in AI Automation, Test framework development and security testing. Recognized by leading organizations for impactful vulnerability disclosures and efficiency gains.

WORK EXPERIENCE

Associate Engineer, Altimetrik (formerly SLK Software) Dec 2024 - Present

- Actively contributing to the Test Architect team by developing utilities in the centralized Playwright UI & API framework and building AI-driven solutions for automation testing, leveraging tools like Claude and GitHub Copilot in daily workflows
- Leveraged GitHub Actions to enhance productivity and accelerate workflows, integrating AI for greater efficiency.
- Optimized and migrated manual test cases into Playwright automation, which significantly improved test efficiency, reliability, and coverage.
- Leveraged ethical hacking expertise to test client and internal applications, uncovering and reporting multiple security vulnerabilities.

Web Developer Trainee, Bharat Coking Coal Limited Aug 2022 - Sep 2022

- Collaborated with a team of developers to design and implement user interfaces using HTML, CSS, and Bootstrap.
- Contributed to the "Lease Portal for Rental Services By B.C.C.L" project, employing HTML, CSS, Bootstrap, MySQL, and PHP.
- Identified a crucial vulnerability, SQL injection, during work, reported it ethically, and received recognition from the Manager.

EDUCATION

Bachelor of Technology in Computer Science and Engineering Nov 2021 - July 2024

Presidency University, Bangalore

- CGPA: 8.8

Diploma in Computer Science and Engineering Aug 2018 - Oct 2021

Government Polytechnic, Ranchi

- Grade: 77.60%

ADDITIONAL INFORMATION

- **Technical Skills:** AI Automation, Automation Testing · Manual Testing · Playwright · MCP · BDD · Xray · Postman · Web Application Pentesting · Java · JavaScript · TypeScript · Python · OOPs · HTML & CSS · SQL · Git & GitHub · Jira · Agile Methodology · Claude · GitHub Copilot
- **Languages:** English, Hindi
- **Projects:** Port Scanner Using Java · Custom Playwright MCP
- **Certifications:** Certified AppSec Practitioner (CAP), JAVA (Basic), SQL (Basic)
- **Awards/Activities:** Earned recognition from SAP, Samsung, (ISC)², OLX, CNA, LeetCode, HackerRank, Jio, Databricks, and 15+ additional organizations for contributions that enhanced their security posture.
 - Achieved 4th place in the CTF competition hosted by Presidency University.
- **Hobbies:** Travelling, Music
